

MSUNews.com

MSUNews is a dynamic web service that keeps you informed about all the latest happenings, events, and news within your college, ensuring you never miss out on any important updates.

MSUNews is a comprehensive web service designed exclusively for college students, providing a centralized platform to stay updated on all the latest information within their college community. The website features a user-friendly interface that allows students to easily navigate through various categories such as news, events, clubs, and campus initiatives. Users can customize their profiles to receive personalized notifications about topics and areas of interest. The service aggregates news articles, announcements, and event listings from official college sources, ensuring reliable and accurate information. Additionally, MSUNews promotes student engagement by offering interactive features like contact forum, allowing students to actively participate in shaping their college experience. With MSUNews, students can stay connected, informed, and actively involved in the vibrant life of their college community.

Personas

Freshman/New Student: This persona represents a new student who is still getting acquainted with college life. They rely on MSUNews to learn about orientation programs, campus resources, student services, and events specifically tailored for freshmen.

Socially Engaged Student: This persona represents a socially active student who is interested in campus activities, clubs, and student organizations. They use MSUNews to explore and discover new opportunities, stay updated on upcoming events, and engage with like-minded individuals.

Active Student Leader: This persona represents a proactive and involved student leader who is eager to stay updated on college news, events, and initiatives. They utilize MSUNews to gather information for their club activities, promote events, and connect with other student leaders.
